CLOUD COMMUNICATIONS PROVIDER TELESPHERE ANNOUNCES CONCIERGE COMMUNICATIONS AS TOP PRODUCING PARTNER

Phoenix, AZ (August 23, 2010) – **Telesphere** (<http://www.telesphere.com/>), a nationwide [hosted PBX](#) VoIP and Cloud Communications business phone and Internet service provider, announced that [Concierge Communications](#), a master communications agent, has again earned the top producing partner award for 2009. This represents the sixth consecutive year Concierge Communications has earned this prestigious award.

Concierge Communications, headquartered in Tempe, AZ, has focused on selling Telesphere's [Complete](#) and [Select](#) solutions. They have an installation base of client locations in over 40 states, representing hundreds of managed circuits and thousands of hosted VoIP seats.

"We are excited to be recognized by Telesphere and are pleased with the continued growth of our long standing relationship," said Clark Atwood, Vice President of Technical Sales for Concierge Communications. "The rapid adoption of managed wide-area networks and [hosted PBX](#) technology has helped us to significantly increase sales over the last year. Telesphere continues to provide us with the products and support needed to be successful in the cloud."

"We congratulate Concierge Communications on their continued success and are ecstatic to present them with this award," stated [Clark Peterson](#), Chief Executive Officer of Telesphere. "They have demonstrated their ability to be a true partner and have made themselves an invaluable extension to the Telesphere team. We look forward to their continued success as a Telesphere master agent."
